Respected Sir,

The humble representation of P. Butchamma, Bellary.

1) My husband Sri P. Mrutyunjaya Rao died on 3-9-1944 suddenly after serving the Government for 25 years faithfully, while working as an officer in the Audit Department at Madras just at a time when he was rising to high position in the Department leaving me and seven children, all between 1 year and 14 years. At the time of his death he entrusted the family to the care of his brother Sri P. Sadasiva Rao who was working as Manager, Forest Conservator's Office at Bellary.

2) My husband left properties in the share of a house at Madras, lands and house sites in Guntur District and cash to the tune of about Rs. 36,000 realisable from Life Insurance Policies, General Provident Fund deposits, Bank balances, etc. Being uneducated and not accustomed to manage any transactions myself and bearing in mind the directions of my husband at the time of his death I placed all my affairs entirely in the hands of my brother-in-law Sri P. Sadasiva Rao. He collected all the amounts due to me from the Life Insurance Policies, General Provident Fund deposits, Bank balances etc., promptly and invested a major portion of cash in lands in Bellary District.

3) As I had large number of small children and as he too had similarly a large number of children and as we were not sure who amongst them would grow up to be a really useful member for the families I suggested that he should create a joint interest for the children of both the families so that both the families might benefit in the future even if one in either family were to grow up to be a prudent person. As my brother-in-law did not have ready cash enough to pay for any appreciable share in the property to be purchased I

P.T.C

N | agreed to advance him money in the form of a temporary loan. Accordingly, he utilized Rs.7,000/-* of my money and with Rs.3000 of his own money he purchased lands to the value of about Rs.10000 for his family and about Rs.20,000 for my family in 1945 in Bellary District.

* In 1947 he sold a house site at Madras (which he had purchased for Rs.1000 in 1934) for Rs.9000/- and cleared my loan.

M | Before purchasing lands for his family he obtained formal sanction of the competent authority in the Forest Department.

4) Sri P.Sadasiva Rao was transferred from Bellary towards the end of 1944 to tamil parts and though it is now 5½ years since he left Bellary he has not been reposted to this place. I now understand that the authorities have got an impression that the very fact that he purchased lands in Bellary District lends suspicion to his integrity as a Government servant and that as a result of that suspicion they are determined not to repost him to Bellary again. As explained above, the transaction is quite clear and straight forward and it is always open to any body to verify its bonafides. It is surprising that the authorities should come to conclusions without making any efforts to investigate into the matter or even questioning the party concerned.

5) Even granting that the authorities have got some doubts how are they justified in imposing a ban on his posting to Bellary? They can have recourse to other remedies if they want. The actual effects of their decision are

(a) the lands are not receiving proper attention with the result that the out put of food grains is lessened and this is most undesirable, from a NATIONAL point of view, especially, in these days of GROW MORE FOOD campaign.

(b) My children are getting out of control and are not shaping well as they are not subjected to proper discipline.

(c) His children are not having any education at all as our mother tongue is TELUGU and he is being kept on in tamil parts for the last 5½ years.

b) Unfortunately, there is only one place where Sri P.Sadasiva Rao can be posted in telugu parts and that is Bellary. He is at present at Ootacamund which is far away from Bellary. In these circumstances I request that the Hon'ble Minister may be pleased to direct that Sri P. Sadasiva Rao, Manager, Forest Conservator's Office, Ootacamund may be transferred to Bellary forthwith.

Yours faithfully,

P. W. S. S. S.

Sri P. Sadasiva Rao was for many years at Bellary as Tour Clerk and Accountant in the office of the Conservator of Forests, Bellary Circle. His transfer from Bellary Circle to Salem Circle in 1945 was on promotion as Manager in the office of the Conservator of Forests, Salem Circle, where the vacancy arose and for which Sri Sadasiva Rao was entitled. He hardly worked six months at Salem and proceeded on 4 months leave and extended it by one month. When his posting to Coimbatore Circle was ordered in December 1945, he applied for further extension of leave by 3 months. Then his posting to Ootacamund Circle was ordered and he applied for further extension of leave by 3 months. On return from leave, he was posted as Manager, Coimbatore Circle and joined duty in June 1946. Again he proceeded on 2 months leave in February 1947 which he extended twice by periods of 18 days and one month. He was reposted to Coimbatore

Circle in June 1947. He was transferred as Manager, Working Plans Circle in July 1949. His posting outside Bellary Circle was made on administrative grounds. The allegations made in the petition are unfounded. The petition may be rejected.

Sadasiva Rao who was then Manager, Office of the Conservator of Forests, Bellary Circle (now Manager, Conservator's Office, ^{working in Bellary Circle,} ~~Ootacamund Circle,~~ Ootacamund), that her husband left a large property of houses, lands, cash etc. that as she ^{is} ~~uneducated~~ ^{she entrusted} all her affairs in the hands of her brother-in-law, Sri P. Sadasiva Rao, that in the interest of her children and her brother-in-law's children, Sri Sadasiva Rao purchased land for her family and also for his family for Rs. 20,000/- and Rs. 10,000/-, respectively and that before purchasing land, Sri Sadasiva Rao obtained the formal sanction from the Forest Department. M. a. p. 24

Sri P. Sadasiva Rao is stated to have been transferred to Salem from Bellary in 1945 on promotion. Since his transfer to Salem he seems to have taken leave altogether for 14 months and 18 days. He is apparently anxious to be posted back to his own native district and the petition from his sister in law seems to be an indirect plea towards ^{attaining} this object. The C.C.F. has reported that his transfer out of Bellary was on administrative grounds and has recommended that the request for ^{transferring} ~~posting~~ him to Bellary may be rejected. Besides, as he seems to have some vested interests in Bellary, the C.C.F.'s recommendation may be accepted, and the petition may be rejected.
